3D Animator & Storyboard Artist

EDUCATION

Savannah College of Art & Design (SCAD)

SEPT 2019 - AUG 2022

B.F.A. in Animation

- Completed the 3D animation curriculum, with classes that included storyboarding, quadruped animation, body mechanics, and dialogue.
- Took 3D modeling and technical animation courses.
- Worked on many collaborative films for classes, assisting classmates with animation, modeling, and storyboarding.

EXPERIENCE

"Fool" Music Video

2D Animated Music Video

SEPT 2023 - CURRENT

Responsible for all

- More in-depth exploration of storyboarding and fluid 2D animation.
- Worked on character design, prop design, 2D/3D cooperation.
- Created a proper production schedule, as well as a cohesive shot list.
- Animated with Clip Studio Paint, and composited all shots in Adobe After Effects.

"Gloom" Music Video

2D Animated Music Video

AUG 2022 - SEPT 2022

Responsible for all

- Worked for one month to create unique character designs, background paintings, and animations of the 2-minute song by Djo.
- Explored 2D animation in order to help with posing and overall workflow in my pieces.
- Composited all shots in Adobe After Effects.

Surface Deep

Texas A&M Collaborative Film

JAN 2021 - JAN 2022

3D Character Animation

- Collaborated with students from a different college, working efficiently in a remote environment.
- Responsible for fully animating 8 shots total, which included focus on a mix of body mechanics and subtle animations.
